Subject: Assessment of objectivity and balance of EFRAG's endorsement opinion on IFRIC 12 – Service Concession Arrangements.

Dear Mr Holmquist,

According to Article 2 of the Commission Decision 2006/505/EC of 14 July 2006 (OJ L 199, 21.7.2006, p. 33), the task of the Standards Advice Review Group is to advise the Commission, before it takes a decision on endorsement, on whether EFRAG's opinions on endorsement of International Financial Reporting Standards (IFRS) and Interpretations by the International Financial Reporting Committee (IFRIC's) are well balanced and objective.

The International Financial Reporting Committee (IFRIC) of the International Accounting Standards Board (IASB) has published an interpretation IFRIC 12 – Service Concession Arrangements on 30 November 2006.

The European Financial Reporting Advisory Group (EFRAG) has, in its letter of 23 March 2007, recommended the European Commission to propose IFRIC 12 for adoption by the EU.

Pursuant to the request of the European Commission of 13 April 2007 for advice on whether EFRAG's opinion on endorsement of IFRIC 12 – Service Concession Arrangements of 23 March 2007 is well balanced and objective,

the Standards Advice Review Group

having regard to the EFRAG's final opinion on endorsement of IFRIC 12 Service Concession Arrangements of 23 March 2007, comment letters, EFRAG's summary and analysis of comments and the relevant records of the EFRAG Technical Expert Group (TEG) meetings;

having considered further information given by the Chairman of TEG and EFRAG staff at the meetings of the Standards Advice Review Group,

has concluded by consensus

that EFRAG's opinion on endorsement of IFRIC 12 Service Concession Arrangements of 23 March 2007 is well-balanced and objective.

Please contact me if you have questions relating to this assessment.

Yours sincerely,

.....
Geoffrey Mitchell
Chairman of the Group
