

European Commission, DG Internal Market and Services

Consultations and conferences planned for 2010

Consultations

| | Policy area | Description | Dates | Contact |
|----|-----------------------|---|-------------|--|
| 1. | Asset management | Stakeholders to be consulted on UCITS depositary issues and detailed future legislative initiatives either via a public consultation or a public hearing process. | End of 2010 | Markt-G4@ec.europa.eu |
| 2. | Prospectus Regulation | A public consultation process on possible amendments to be introduced in the Prospectus Regulation will take place on the basis of a draft in 2011. | | Markt-G3@ec.europa.eu |

Conferences

| | Policy area | Description | Dates | Contact |
|----|---|---|--------------------|--|
| 1. | Audio-Visual Productions - Opportunities and Challenges | The aim of the public hearing is to assess whether there are any obstacles in the way online audio-visual media services are developing in the EU, to determine how the delivery of such audio-visual media services, in particular on a cross-border basis, can be developed and improved for the benefit of rightholders and consumers alike. | Nov-Dec 2010 (TBC) | Markt-D1@ec.europa.eu |
| 2. | Insurance | A public hearing will be organised in order to consult with stakeholders and gather data on the amending proposal of the Insurance Mediation Directive (IMD). | 10 December | Markt-H2@ec.europa.eu |

Last update: 8 October 2010.

For information: a number of consultations are ongoing. They can be accessed under the following link:
