

The Lisbet Rausing Charitable Fund

The Trustees apply the funds to any charitable purpose in the UK or abroad, in their own order of priority. Their present policy is to make a few but large grants, and to support activities of scholarly, cultural, or social worth.

1. Leveraging our knowledge as working academics

2. Preference for projects

- at the coalface of the pursuit of knowledge
- therefore by definition empirical

LISBET RAUSING
CHARITABLE FUND

LRCF Major Programmes

I Never Saw My FACE

Samuel Goetz

A photograph of a street sign and a traffic light. The sign is blue with white text and is mounted on a metal pole. Below the sign is a traffic light with a green light illuminated. The background is a clear blue sky.
