

## CAMSS VALUE PROPOSITION

### “Assessment and selection of standards and specifications for eGovernment projects”

CAMSS is the European *guide for assessing* and selecting standards and specifications for an eGovernment project, a *reference* when building an architecture and for a *enabler* for *explaining* choices of standards and specifications in terms of interoperability\* needs and requirements

#### *Do it yourself:*

- **Assessment Resources** - *support to users, improved tools and training resources*

#### *Reuse Assessments:*

- A growing **Collection of Assessments** - *ready for reuse by the Standardisation Community*

#### *Request the Service:*

- **CAMSS as a Service** - *provision of assessments on demand*
