Have your say!

Your rights, your future

As an EU citizen you have specific rights: ec.europa.eu/justice/citizen

Tell us what you think

Between 9 May and 9 September 2012 you have the chance to give your view on your rights as an EU citizen.

- **Have you ever encountered difficulties moving to another EU country?**
- **Have you ever had problems when trying to shop online from another EU country?**
- **In what kind of Union would you like to live in 2020?**

**Public consultation from 9 May
to 9 September 2012**

Your view is important

The European Commission is working to strengthen your rights.

In 2010, the European Commission issued the first **EU Citizenship Report** to inform EU citizens about their rights. It listed 25 actions to make citizens' life easier.

These actions are well on track: check the **dedicated scoreboard**.

Your views will help us prepare the next EU Citizenship Report that will be published in 2013 – The European Year of Citizens.
