PROFESSIONAL

4. Present Position:

Project Manager in Public Foundation

5. Professional experience:

After working as a teacher in linguistics for 7 years, and as a Steward in P&O boats for a short period, I have worked as a Project Manager and fund-riser (specialised in EU funding) in two foundations for the past 12 years.

6. Experience in activities involving maritime and fishing issues

- Organiser of field courses on "Coastal Communities Development" for the University of Bergen (Norway) in Muros – A Coruña (Spain), since 2003 to 2005
- Promoter and organiser of the yearly Congress "Fishing Communities in Change", in Muros – A Coruña (Spain), since 2005
- Promoter and organiser of the Muros Summer Campus of the University of Santiago de Compostela, (focused on the development of fishing communities and activities), since 2006
- Organiser of youth exchanges around the topic of the European Maritime Heritage: PROMARIS (in 2005, involving mainly disadvantaged youngsters from 6 European countries), and PROATLANTIS (in 2006, involving youngsters from Portugal and Galicia)
- Participation in IMEC Project (International Maritime Environment Certificate), 2006-2008
- Participation in Fishernet Project (Cultural Fishing Heritage Network), started in 2008, and running to 2011
- Collaboration with Lonxanet Foundation for Sustainable Fishing (www.lonxanet.com)
- Collaboration with Lira fishermen association in implementing fishing tourism projects (www.mardelira.net)
