You are a German citizen living in Belgium wanting to get the Belgian resident’s card.

The certificate is sent electronically to Belgium and you can check if the certificate corresponds to your request. Upon receipt, Belgium swiftly issues the resident’s card.

Apply for a resident card online identifying yourself using your German electronic identity.

Benefit:
NO NEED TO BE PHYSICALLY PRESENT TO APPLY – SWIFT, SAFE AND CONVENIENT.

When asked to provide the birth certificate you explicitly request that the certificate is electronically exchanged between the Belgian authority and the German authority which has it in electronic form.

The request to make the exchange is sent electronically to the German Authority.

Benefit:
NO NEED TO PRODUCE SUPPORTING DOCUMENTS OVER AGAIN – SWIFT, SAFE AND CONVENIENT.
