Sandra Šopić, Johannes Jobst, André Dankert, and Zhenyuan Xia were the four individuals who produced the best posters, chosen from more than 400 posters presented over four afternoons during Graphene Week 2014. The winners were selected by the Conference Programme Committee and a number of independent referees for their scientific contribution and clarity of presentation. Each poster session winner received a prize of €300, sponsored by the science journals EPL and AIP. & Looking ahead to next year Graphene Week at Manchester in 2015 & Watch the video messages of presentations given
