Venue:

Bologna, Italy

From Monday, 29 September, 2014 to Wednesday, 1 October, 2014

LET'S 2014 is an international Conference organised by the Italian EU Presidency, and supported by European Union Funding for Research and Innovation. LET'S 2014 aims at discussing the role of the Key Enabling Technologies (Nanotechnologies, Advanced Materials, Advanced Manufacturing, Processing and Biotechnology), in bridging the gap between research and innovation. More than 1000 delegates from all over the world will discuss how Europe can support the growth and the creation of new jobs and face Societal Challenges through new products, processes and services, creating opportunities for European actors.
