
QUESTIONS:

- 1./ How shall the study questions to be answered by the analysis be understood: do they only refer to the perspective of the project beneficiaries or also to the perspective of the Managing Authorities and delegated bodies?
- 2./ Do you expect the tenders to collect and analyse data from the national/regional funding databases?
- 3./ Do you expect a concrete quantification of the administrative burdens of the project beneficiaries?

ANSWERS/REPOSSES:

- 1./ The questions refer both to project beneficiaries and Managing Authorities.
 - 2./ Indeed, the contractor is expected to collect and analyse data from national/regional databases.
 - 3./ Indeed, a concrete quantification of administrative burdens is expected.
