

Lot 1 Case Study 1

Question: Are we allowed for the proposal to use photos that are not from the digital library of DG REGIO, Commission DG or other institutions for the graphic proposal without restriction?

No

Lot 1 Case Study 2

Question: Do we already have to programme the website (in html) for the proposal or do we just need to create a web design without programming the pages?

Yes, the simulation concerns the production of a site in html pages and must be supplied in the form of electronic files and printout
