

AQUATT

A Knowledge Management Partner

Country: Ireland

Status: SME

THE OCEAN OF TOMORROW
THE OCEAN OF TOMORROW
INFO Day - 9 September 2010, Brussels

Brokerage Snapshot

- **Our offer in relation to the Call - AquaTT would like to join consortia:**
 - OCEAN.2011-1 Multi-use offshore platforms
 - OCEAN.2011-4 Knowledge-base and tools
- **Partner profile & Examples of our role:**
 - OCEAN. 2011-1
 - Lead dissemination and take-up of research results at project level.
 - Provide innovative vocational training on new emerging green technologies.
 - Facilitate relationship-building events between commercial service providers of offshore wind energy, aquaculture operations, and transport solutions, along with other stakeholders.
 - OCEAN.2011-4
 - Provide innovative communication strategies between scientists, managers, fishermen, shippers, NGOs, potential users and public at large.
 - Deliver scientific guidelines for decision-makers and planners.
 - Contribute to the facilitation of compatible pilot studies.

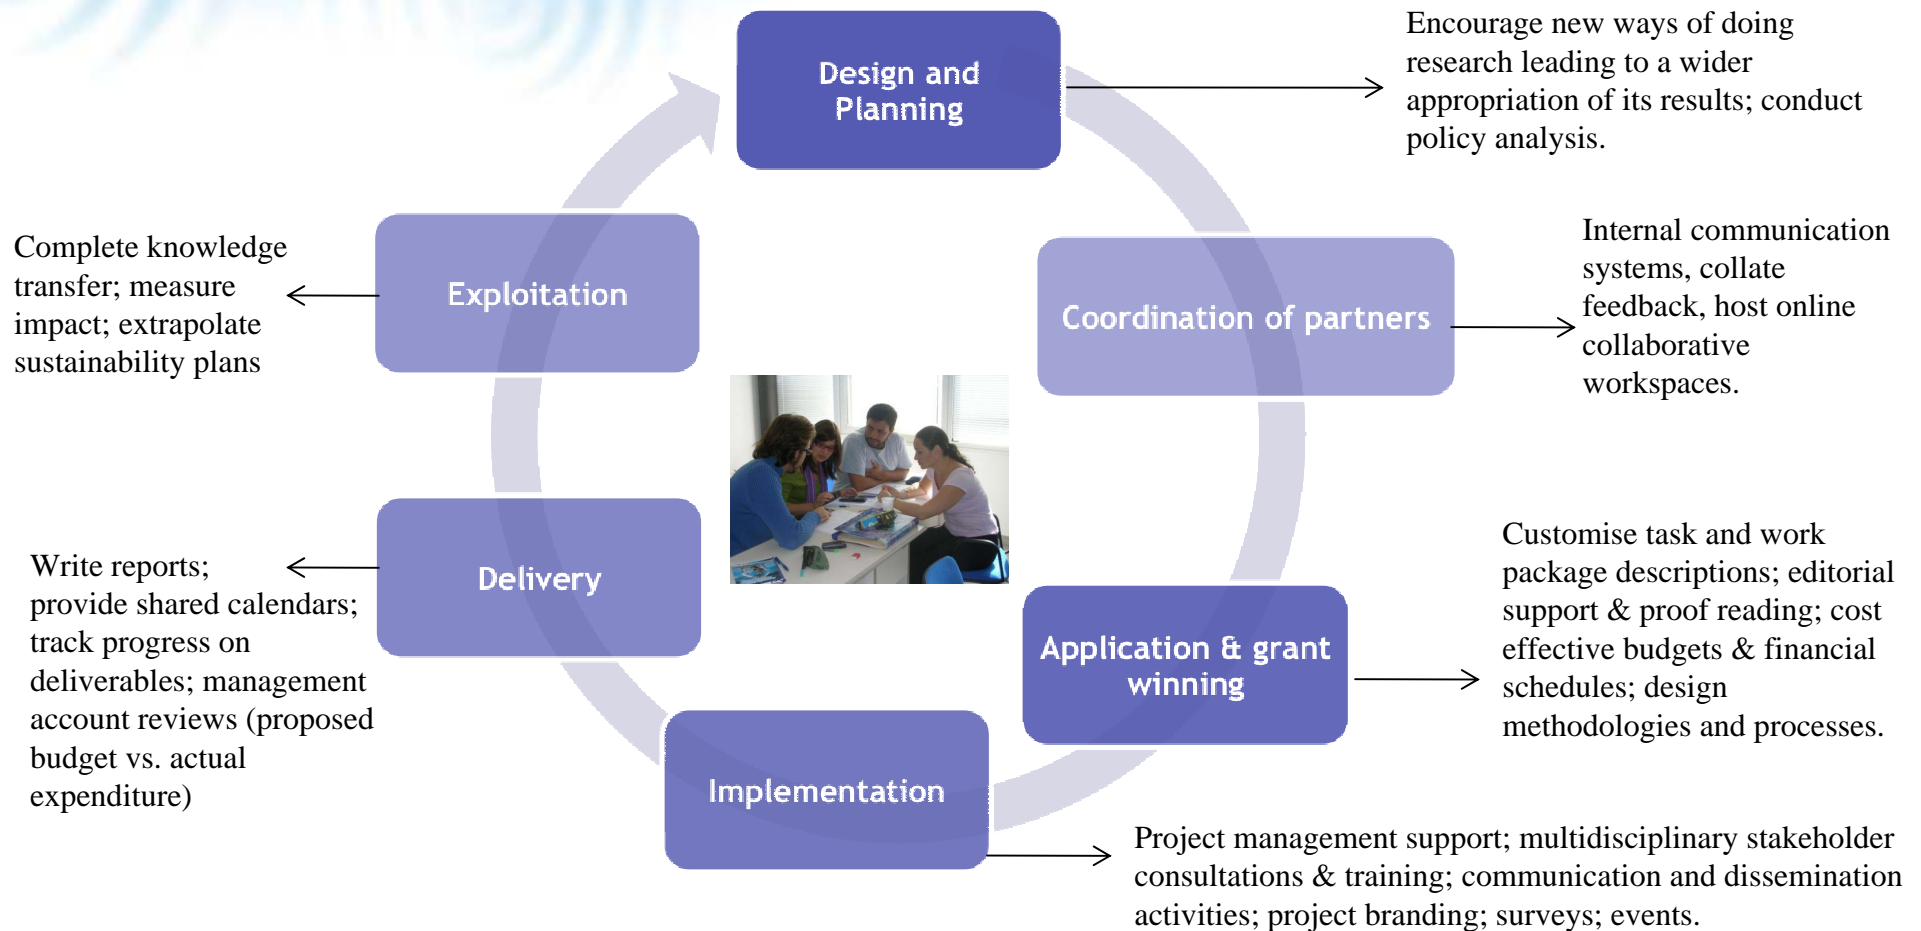

Partner Profile

- **Our specific competence in relation to the Call:**

- Dublin-based SME, with an 18-year track record.
- AquaTT can lead communication, dissemination, training, and knowledge transfer activities.
- We support consortia to address the Commission’s mandate for projects to address the “Innovation dimension.” (pg. 5, KBBE WORK PROGRAMME 2011)
- Our team can help to write strong, performance-based “Implementation” & “Impact” sections of the proposal.

“... Each proposal is asked to... (i) appointing a "Communication manager"; (ii) setting aside dedicated budget for communication activities (iii) designing activities according to the needs of the different target groups; (iv) linking research results to 'Bulletin Board System' database; and (v) communicating the research results to the authorities managing the Cohesion Policy Funds, the European Fisheries Fund and the European Agricultural Fund for Rural Development.” (Page 5, KBBE WORK PROGRAMME 2011)

Our Contribution

Thank You

With many thanks, for your attention.
