CORDIS Objectives

- Offer direct access to information on EU research programmes and activities
- Ease participation in programmes
- Enhance research results exploitation and promote innovation
- Offer connections with national information in the light of the European Research and Innovation Area (ERA)

A screenshot of the CORDIS website interface. At the top, there are language selection buttons for 'Disclaimer', 'Deutsch', 'Español', 'Français', and 'Italiano'. The main header includes the CORDIS logo and the text 'Community Research & Development Information Service'. Below this, there are sections for 'Find', 'Explore', and 'Today'. The 'Find' section lists 'European Union-funded Research', 'Databases and Web Services', and 'Interactive Services'. The 'Explore' section lists 'Guidance & Background Information', 'Innovation in Practice', and 'Research & Development Gateway'. The 'Today' section features a large yellow star and text: 'UK second in terms of scientific output, finds global survey'. On the right side, there is a search bar and a list of search results including 'FP6 Sixth Framework Programme (2002 - 2006)', 'International Cooperation in FP6', 'Research Openings', 'Expert Candidature', 'ERA - European Research Area', 'Security Research', 'FP5 Fifth Framework Programme (1998-2002)', 'Projects Service', 'FP4 Fourth RTD Framework Programme (1994-1998)', and 'Other Programmes and Initiatives'. At the bottom, there is a navigation menu with links for 'Home', 'Help', 'What's New', 'Site-Map', 'Search', 'Register', '©', 'News', and 'Press'.

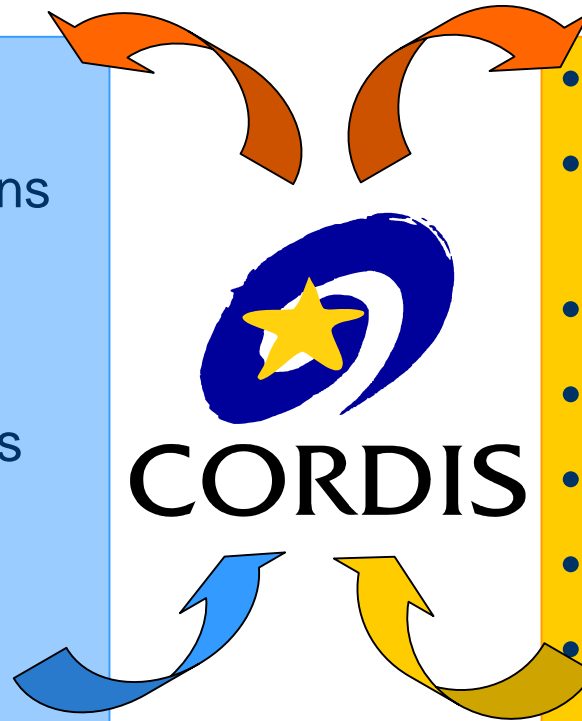

Information flow on CORDIS
