

## First General Assembly of the Sustainable Nuclear Energy Technology Platform

Charlemagne Building, European Commission  
Brussels, 26 November 2008

### REGISTRATION FORM

Deadline: 30 September 2008

The first general assembly of the Sustainable Nuclear Energy Technology Platform will take place in Brussels, in the Charlemagne Building of the European Commission, on 26 November 2008.

The programme is in preparation and will be posted on the website of the platform, [www.snetp.eu](http://www.snetp.eu). Three sessions are foreseen:

- Session 1:
  - Report by the governing board
  - Presentation of the strategic research agenda and the deployment strategy
  - Proposals in the areas of education, training, and knowledge management
- Session 2:
  - Status of the SET Plan by the European Commission
  - Proposal to support R&D for current and future light-water reactors (LWRs)
  - Proposal of a European industrial initiative for sustainable fission
- Session 3:
  - Round-table on funding for R&D in nuclear fission

If you wish to attend this general assembly, please fill in the registration form and return it to the SNE-TP secretariat before **30 September 2008**, [secretariat@snetp.eu](mailto:secretariat@snetp.eu), with the subject "General assembly".
