

Dr. Ingrid Wüning Tschol

Curriculum Vitae

Education

- 1976 – 1977 Internship May Day Hospital Thornton Heath, London, England
- 1977 – 1982 Biology, Geology and Geography University of Tübingen
- 1985 Dr. rer. nat. in Zoology University of Tübingen (magna cum laude)

Professional Experience

Research

- 1985 – 1988 Postdoctoral Fellow with Professor Alexander Varshavsky, Department of Biology, Massachusetts Institute of Technology in Cambridge, USA
- 1988 – 1989 Research Associate, Department of Microbiology, State University of New York in Stony Brook, USA

Science Management

- 1990 – 1996 Programme Head of Molecular and Cellbiology Unit, Deutsche Forschungsgemeinschaft, Bonn, Germany
- 1996 – 1999 Senior Scientific Secretary of the European Medical Research Councils (EMRC), European Science Foundation (ESF), Strasbourg, France
- Since 1999 Head of Science Department, Robert Bosch Stiftung, Stuttgart, Germany

Scientific Publications

- Wüning, I.U. und Lipps, H.J. in EMBO J.2, Vol.2, No 10, 1753 – 1757, 1983

- Varshavsky, A., Bachmair A., Finley, D., Gonda, D. und Wüning, I. in Ubiquitin, Plenum Press, ed. by Rechsteiner, M., 1987
- Varshavsky A., Bachmair, A., Finley, D., Gonda, D. und Wüning, I. in Yeast Biotechnology, ed. by Barr, P.; Brake, A. und Valezuela, P., 1988
- Gonda, D., Bachmair, A., Wüning, I., Tobias, J., Lane, W., Varshavsky, A. in Journal of Biological Chemistry, Vol.264, 16700 – 16712, 1989
- Bartel, B., Wüning, I., Varshavsky, A. in EMBO J., Vol.9, No 10, 3179 –3189, 1990
- In addition: Contributions to Cold Spring Harbour Conference Proceedings

Other Publications

- Since 1990 numerous invited articles and interviews on science policy, science management and “science and society” issues in journals, such as *Biospektrum*, *Gegenworte*, in newspapers, such as the *Frankfurter Allgemeine Zeitung*, *DIE ZEIT*, *Schwäbisches Tagblatt* and on the radio, such as *Deutschlandfunk (DLF)*, *Deutsche Welle* and *Südwestrundfunk (SWR)*

Other Professional Activities and Membership in Committees

- 2003 - 2005 Advisory Board member to PUSH and Übergänge Programmes of the Stifterverband für die Deutsche Wissenschaft, Essen, Germany
- 2005 Advisory Board to PUSH-Programme of Baden-Württembergische Landesstiftung, Stuttgart, Germany
- Since 2000 Board of Trustees member of Kepler-Seminars der Stiftung für Bildung und Behinderte, Stuttgart, Germany
- Since 2002 Scientific Advisory Board member Tropenzentrum University Hohenheim, Stuttgart Germany
- 2002 – 2004 Vice Chair Programme Committee and member Steering Committee of Euroscience Open Forum (ESOF 2004), Stockholm, Sweden
- 2004-2006 Vice Chair Steering Committee and member of Programme Committee of ESOF 2006 Munich
- Since 2006 Co-Chair Steering Committee of ESOF 2008, Barcelona, Spain
- Since 2007 Member of the Core Group of the “Lenkungsausschuss WiD” (Steering Committee for Science in Dialogue)
- Since 2008 Member of the European Forum on Philanthropy in Research Funding
- Since 2008 Member of ERAB
