

Curriculum vitae

Personal record

Name: Luis Serrano Pubull
Email Address: serrano@embl-heidelberg.de
Born: 2 July 1959, Madrid, Spain
Nationality: Spanish

Career/Education

1977-1981: Degree in Biological Sciences. Universidad Complutense de Madrid, Spain.
1982 : Master of Sciences, Universidad Complutense de Madrid, Spain.
1985 : PhD in Biochemistry (Universidad Autonoma, Madrid, Spain).
1985-1987 Postdoctoral at the Centro de Biologia Molecular (CSIC-UAM). Universidad Autónoma de Madrid.
1988-1991 Postdoctoral at Cambridge University (Great Britain). "IRC unit on protein function and design (MRC)".

Fellowships:

1982-1985 Beca del Fondo de Investigaciones Sanitarias.
1985-1987 Beca posdoctoral de formacion de personal investigador en España (PFPI)
1988-1989 EMBO fellowship
1990-1991 Marie Curie EU fellowship.

Research Positions.

1988-1991 Lecturer, CSIC (Consejo Superior de Investigaciones Cientificas), Spain
1992 Senior Lecturer. CSIC, Spain.
1992 Group Leader at EMBL (European Molecular Biology Laboratory).
1998 Senior Group Leader at EMBL
1999 Research Profesor, CSIC, Spain.
2001 Head of Structural & Computational Biology Programme. EMBL. Germany.
2001 Head of Structural & Computational Biology Programme, CNIO. Spain.

Society membership.

1999 EMBO member.

Technology Transfer Activities - Scientific Founder of Biotec Companies.

Founder of Cellzome (Heidelberg, Germany).
Founder of Diverdrugs (Barcelona, Spain).
Founder of EnVivoPharmaceutical (Boston, USA).
Founder of Alive Biospain (Madrid, Spain).

Member of Scientific Advisory Board of Biotec Companies.

Diverdrugs (Barcelona, Spain).
EnVivoPharmaceutical (Boston, USA).
Entomed (Strasbourg, France).
Cellestis (Strasbourg, France).

Member Board of Directors

2000-2002. EMBLEM (EMBL Technology transfer company).

Scientific Interests

Protein and Drug Design, Amyloid formation and Neurodegeneration, Systems Biology

Patents:

8 International Patents

Publications:

170 publications in International Journals.
