Acronym*

Proposal title*

The title should be no longer than 200 characters (with spaces) and should be understandable to the non-specialist in your field.

Note that for technical reasons, the following characters are not accepted in the Proposal Title and will be removed: < > " &

Free keywords

You may enter a number of keywords that you consider necessary to characterise the scope of your proposal. There is a limit of 200 characters.

Duration in months*

Insert the estimated duration of the project in full months.

Related ERC Project ID number*

This is the reference number (6-digit ID number) of the related ERC project. This is

End date of the related ERC project(DD/MM/YYYY)

Abstract*

The abstract (summary) should, at a glance, provide the reader with a clear understanding of the objectives of the research proposal and how they will be achieved. The abstract will be used as the short description of your research proposal in the evaluation process and in communications to contact in particular the potential ERC experts reviewing the proposals and/or inform the Commission and/or the programme management committees and/or relevant national funding agencies[1] (provided you give permission to do so where requested below). It must therefore be short and precise and should not contain confidential information. Please use plain typed text, avoiding formulae and other special characters. The abstract must be written in English. There is a limit of 2000 characters (spaces and line breaks included).

Declarations

1) The Principal Investigator declares to have the explicit consent of all applicants on their participation and on the content of this proposal.*	<input type="checkbox"/>
2) The information contained in this proposal is correct and complete.	<input type="checkbox"/>
3) This proposal complies with ethical principles (including the highest standards of research integrity — as set out, for instance, in the European Code of Conduct for Research Integrity — and including, in particular, avoiding fabrication, falsification, plagiarism or other research misconduct).	<input type="checkbox"/>
4) The Principal Investigator hereby declares that (<i>please select one of the three options below</i>):	
- in case of multiple participants in the proposal, the coordinator has carried out the self-check of the financial capacity of the organisation on http://ec.europa.eu/research/participants/portal/desktop/en/organisations/lfv.html . Where the result was “weak” or “insufficient”, the Principal Investigator confirms being aware of the measures that may be imposed in accordance with the H2020 Grants Manual (Chapter on Financial capacity check) .	<input type="radio"/>
- in case of multiple participants in the proposal, the Principal Investigator is exempt from the financial capacity check being a public body including international organisations, higher or secondary education establishment or a legal entity, whose viability is guaranteed by a Member State or associated country, as defined in the H2020 Grants Manual (Chapter on Financial capacity check) .	<input type="radio"/>
- in case of a sole participant in the proposal, the applicant is exempt from the financial capacity check.	<input type="radio"/>
5) The Principal Investigator hereby declares that each applicant has confirmed to have the financial and operational capacity to carry out the proposed action. Where the proposal is to be retained for EU funding, each beneficiary applicant will be required to present a formal declaration in this respect.	<input type="checkbox"/>
The Principal Investigator is only responsible for the correctness of the information relating to his/her own organisation. Each applicant remains responsible for the correctness of the information related to him and declared above. Where the proposal to be retained for EU funding, the coordinator and each beneficiary applicant will be required to present a formal declaration in this respect.

According to Article 131 of the Financial Regulation of 25 October 2012 on the financial rules applicable to the general budget of the Union (Official Journal L 298 of 26.10.2012, p. 1) and Article 145 of its Rules of Application (Official Journal L 362, 31.12.2012, p.1) applicants found guilty of misrepresentation may be subject to administrative and financial penalties under certain conditions.

Personal data protection

Your reply to the grant application will involve the recording and processing of personal data (such as your name, address and CV), which will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Unless indicated otherwise, your replies to the questions in this form and any personal data requested are required to assess your grant application in accordance with the specifications of the call for proposals and will be processed solely for that purpose. Details concerning the processing of your personal data are available on the [privacy statement](#). Applicants may lodge a complaint about the processing of their personal data with the European Data Protection Supervisor at any time.

Your personal data may be registered in the Early Warning System (EWS) only or both in the EWS and Central Exclusion Database (CED) by the Accounting Officer of the Commission, should you be in one of the situations mentioned in:

- the Commission Decision 2008/969 of 16.12.2008 on the Early Warning System (for more information see the [Privacy Statement](#)), or
- the Commission Regulation 2008/1302 of 17.12.2008 on the Central Exclusion Database (for more information see the [Privacy Statement](#)).

5 - Call specific questions

Eligibility	
I acknowledge that I am aware of the eligibility requirements for applying for this ERC call as specified in the ERC Work Programme 2015, and certify that, to the best of my knowledge my application is in compliance with all these requirements. I understand that my proposal may be declared ineligible at any point during the evaluation or granting process if it is found not to be compliant with these eligibility criteria.*	<input type="checkbox"/>
I confirm that the proposal that I am about to submit draws substantially on an existing or recently finished ERC funded frontier research grant.	<input type="checkbox"/>
Data-Related Questions and Data Protection (Consent to any question below is entirely voluntary. A positive or negative answer will not affect the evaluation of your project proposal in any form and will not be communicated to the evaluators of your project.)	
For communication purposes only, the ERC asks for your permission to publish your name, the proposal title, the proposal acronym, the panel, and host institution, should your proposal be retained for funding.	<input type="radio"/> Yes <input type="radio"/> No
Some national and regional public research funding authorities run schemes to fund ERC applicants that score highly in the ERC's evaluation but which can not be funded by the ERC due to its limited budget. In case your proposal could not be selected for funding by the ERC do you consent to allow the ERC to disclose the results of your evaluation (score and ranking range) together with your name, non-confidential proposal title and abstract, proposal acronym, host institution and your contact details to such authorities? This consent is entirely voluntary and refusal to give it will in no way affect the evaluation of your proposal.	<input type="radio"/> Yes <input type="radio"/> No
The ERC is sometimes contacted for lists of ERC funded researchers by institutions that are awarding prizes to excellent researchers. Do you consent to allow the ERC to disclose your name, non-confidential proposal title and abstract, proposal acronym, host institution and your contact details to such institutions? This consent is entirely voluntary and refusal to give it will in no way affect the evaluation of your proposal.	<input type="radio"/> Yes <input type="radio"/> No
The Scientific Council of the ERC has developed a monitoring and evaluation strategy in order to help it fulfil its obligations to establish the ERC's overall strategy and to monitor and quality control the programme's implementation from the scientific perspective. As provided by section 3.10 of the ERC Rules for Submission, a range of projects and studies may be initiated for purposes related to monitoring, study and evaluating implementation of ERC actions. Do you consent to allow the third parties carrying out these projects and studies to process the content of your proposal including your personal data? The privacy statement on grants explains further how your personal data is secured. This consent is entirely voluntary and refusal to give it will in no way affect the outcome of the evaluation of your proposal.	<input type="radio"/> Yes <input type="radio"/> No

ERC Proof of Concept Grant 2015 Part B

Please respect the following formatting constraints: Times New Roman, Arial or similar, at least font size 11, margins (2.0 cm side and 1.5 cm top and bottom), single line spacing.

Section 1: The idea - Innovation potential (max. 2 pages)

- a. Succinct description of the idea to be taken to proof of concept
- b. Demonstration of Innovation Potential

Section 2 – Expected Impact (max. 2 pages):

- a. Economic and/or societal benefits
- b. Commercialisation process and/or any other exploitation process
- c. Proposed plans for :
 - Competitive analysis
 - Testing, technical reports (*where applicable*)
 - IPR position and strategy (*where applicable*)
 - Industry/sector contacts (*where applicable*)

Section 3: The proof of concept plan (max 2 pages)

- a. Plan of the activities
- b. Project-management plan
- c. Description of the team

Section 4: *The budget* (max 1 page + costing table)

a. Resources (incl. project costs)

(Note: To facilitate the assessment of resources by the panels, the use of the following budget table is strongly suggested. All eligible costs requested, should be included in the budget. **Please use whole Euro values only.**)

Cost Category		Total in Euro
Direct Costs ¹	Personnel	PI ²
		Senior Staff
		Postdocs
		Students
		Other
	<i>i. Total Direct costs for Personnel (in Euro)</i>	
	Travel	
	Equipment	
	Other goods and services	Consumables
		Publications (including Open Access fees), etc.
		Other (please specify)
<i>ii. Total Other Direct Costs (in Euro)</i>		
A – Total Direct Costs (i + ii) (in Euro)		
B – Indirect Costs (overheads) 25% of Direct Costs³ (in Euro)		
C1 – Subcontracting Costs (no overheads) (in Euro)		
C2 – Other Direct Costs with no overheads⁴ (in Euro)		
Total Estimated Eligible Costs (A + B + C) (in Euro)⁵		
Total Requested EU Contribution (in Euro)⁵		

The project cost estimation should be as accurate as possible. Significant mathematical mistakes may reflect poorly on the credibility of the costing table and the proposal overall.

The evaluation panels assess the estimated costs carefully. The requested contribution should be in proportion to the actual needs to fulfil the objectives of the project.

b. Justification (description of the budget)

¹ An additional cost category 'Direct costing for Large Research Infrastructures' applicable to H2020 can be added to this table for PIs who are hosted by institutions with Large Research Infrastructures of a value of at least EUR 20 million and **only** after having received a positive ex-ante assessment from the Commission's services (see 'Information for Applicants to the Proof of Concept Grant 2015 Call' for more details).

² When calculating the salary, please take into account the percentage of your dedicated working time to run the ERC funded project.

³ Please note that the overheads are fixed to a flat rate of exactly 25%.

⁴ Such as the costs of resources made available by third parties which are not used on the premises of the beneficiary (see 'Information for Applicants to the Proof of Concept Grant 2015 Call' for details).

⁵ These figures **MUST** match those presented in the online proposal submission form, section 3 – Budget. In case of discrepancy, the budget from the submission forms section 3 will prevail.

Commitment of the host institution^{1, 2}

(to be printed on the official letterhead of the host institution)

Commitment of the host institution
