Applicants have been informed of the evaluation scores and comments relating to their own proposals.

The number of proposals that the Commission can finally fund depends on the available budget, the outcome of negotiations, and the completion of the formal procedures.

It is expected that the first grant agreements with successful applicants will be concluded by October 2013.

Information on the selected projects will be published on CORDIS once grant agreements have been established.

Please contact the central enquiry service if you have any questions about this call, or indeed on any other matter relating to the Seventh Framework Programme:
