

Flash information on the overall results of a call for proposals

Call identifier: H2020-CIP-2016-2017
Call title: CRITICAL INFRASTRUCTURE PROTECTION
Published: 14 October 2015
Deadline: 25 August 2016
Budget available (as announced in the work programme): CIP-01-2016-2017: EUR 20,000,000

The Executive Agency, assisted by independent experts, has completed the evaluation of proposals submitted to the above call. The names of the experts that evaluated Horizon 2020 proposals are published, collectively for each part of Horizon 2020 and once per year, on the [Participant Portal](#).

The results of the evaluation are summarised below:

CIP-01-2016-2017:

Number of proposals submitted:	36
Number of ineligible proposals:	2
Number of proposals receiving an evaluation score above the applicable threshold:	21
Total budget requested from these above-threshold proposals:	150.675.323,71 €

We recently informed applicants about the evaluation results for their proposals. The number of proposals that can finally be funded depends on the available budget and the completion of the formal procedures needed to conclude grant agreements.

It is expected that the first grant agreements will be signed by 25/4/2017. Information on the selected projects will be published on [CORDIS](#) after that date.

Please contact the Research Enquiry Service if you have any questions about this call or about the Horizon 2020 Framework Programme for Research and Innovation:
