

Flash information on the overall results of a call for proposals ('flash call info')

Call identifier:	H2020-INFRAIA-2014-2015
Call title:	Integrating and opening research infrastructures of European interest
Published:	11 December 2013
Deadline:	02 September 2014
Budget available (as announced in the Work Programme):	EUR 140 million (of which EUR 90 million from the 2014 budget and EUR 50 million from the 2015 budget)

The Commission has completed the evaluation of the proposals submitted to the above call.

The results of the evaluation are as follows:

Number of proposals submitted ^{[1][2]} :	60
Number of inadmissible or ineligible proposals ^[3] :	2
Number of proposals receiving an evaluation score above the applicable threshold ^[4] :	47
Total budget requested by these above-threshold proposals ^[4] :	EUR 363,964,639

^[1] This figure includes any proposals transferred from or to other calls.

^[2] In case of a 2 stage submission scheme, the number is the number submitted at the first stage.

^[3] In case of a 2 stage submission scheme, the number is the total number over both stages.

^[4] In case of a multi-step evaluation, the numbers are the numbers after the final step of the evaluation.

We recently informed the applicants about the evaluation results for their proposals.

The number of proposals that can finally be funded depends on the available budget and the formal approval of grant agreements by the Commission.

It is expected that the first grant agreements will be signed by 16 April 2015.

Information on the selected projects will be published on [CORDIS](#)¹ after that date.
