Access requires only a standard web browser, no special software has details see the [EPSS User Manual \(PDF\)](#) and the [EPSS Online Frequently Asked Questions \(FAQ\)](#).

**N.B. Please note that after 5th May 2008 for all newly published calls you will be able to use your Participant Identification Code (PIC) in your electronic proposal preparation and submission. However for calls already open for proposal submission this may vary case-by case. For more information please go to the section 'Register your organisation (URF)'.**

N.B. You should read the call fiche, work programme and guide for applicants for the call you are interested in preparing using the EPSS.
