Contents

1 Overview of stakeholder interviews conducted 1

1 Overview of stakeholder interviews conducted

Table 1.1 provides an overview of stakeholders conducted and initially planned stakeholder interviews. Following agreement of the scope of the interviews with the Steering Group during the inception phase, 107 semi-structured interviews were carried out, 78 per cent of the envisaged 137 interviews. **Error! Reference source not found.** provides an overview of the interviews initially suggested, and the interviews carried out, by stakeholder group.

Table 1.1 Stakeholder interviews conducted and initially planned interviews

Stakeholder group	Conducted interviews	Target interviews
Commission officials: FP7 Cooperation	6	5
Commission officials responsible for SiS and related policy areas	20	15
Members of the European Parliament	0	2
External evaluators	6	10
National SiS Contact points	9	10
FP7 SiS PMC members	8	10
Advisory / expert groups that have advised on SiS programme design	7	15
FP7 project participants	12	10
Users – Scientific Community	11	10
Users - CSOs	12	10
Users – industry	3	20
National policy makers as users of SiS outputs	12	20
Total	107	137

Error! Reference source not found. below presents a list of stakeholder interviews conducted, by stakeholder category.
