Investing in children: Breaking the cycle of disadvantage

A study of national policies

This publication is supported by the European Community Programme for Employment and Social Solidarity (2007–2013).

This programme is managed by the European Commission. It was established to financially support the implementation of the objectives of the European Union in the employment, social affairs and equal opportunities area, and thereby contribute to the achievement of the Europe 2020 Strategy goals in these fields.

The seven-year Programme targets all stakeholders who can help shape the development of appropriate and effective employment and social legislation and policies, across the EU-27, EFTA-EEA and EU candidate and pre-candidate countries.
