New developments to improve services and integration

Individualized Approach

- Individual action plan
- Segmentation
- Profiling
- Problem resolving

Atelier for Job Search

Individual work in a group, headed by a psychologist or an employment counsellor.

Response to the specific deficiencies of the client, established within the conversation.

The topics at the Atelier currently are:

“How to search for a job? Preparing a behaviour plan.”

“Constructing a personal professional project.”

“Documents for job application – cover letter.”

“Documents for job application – CV.”

“Sources of information about vacancies.”

“How to prepare for a job interview?”

“How to prepare an Individual action plan?”

“EURES network and job mobility in Europe.”

“Conflicts – appearance and ways overcoming.”
