COMMISSION IMPLEMENTING DECISION

of XXX

amending Decision C(2010)9089 concerning the adoption of a financing decision concerning operational and non-operational technical assistance at the initiative of or on behalf of the Commission under the European Social Fund for 2011 and serving as a work programme for this technical assistance

COMMISSION IMPLEMENTING DECISION

of XXX

amending Decision C(2010)9089 concerning the adoption of a financing decision concerning operational and non-operational technical assistance at the initiative of or on behalf of the Commission under the European Social Fund for 2011 and serving as a work programme for this technical assistance

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EC) No 1083/2006 of 11 July 2006 laying down general provisions on the European Regional Development Fund, the European Social Fund and the Cohesion Fund and repealing Regulation (EC) No 1260/1999¹, and in particular Article 45(3) thereof,

Having regard to Council Regulation (EC, Euratom) No 1605/2002 of 25 June 2002 on the Financial Regulation applicable to the general budget of the European Communities² (hereinafter referred to as the 'Financial Regulation'), and in particular Articles 75 and 110 thereof,

Having regard to Commission Regulation (EC, Euratom) No 2342/2002 of 23 December 2002 laying down detailed rules for the implementation of Council Regulation (EC, Euratom) No 1605/2002 on the Financial Regulation applicable to the general budget of the European Communities³ (hereinafter referred to as the 'Implementing Rules'), and in particular Articles 90 and 166 thereof,

Having regard to the opinion of the Coordination Committee of the Funds and the opinion of the Committee under Article 163 of the Treaty on the functioning of the European Union,

Whereas:

- (1) On 14 December 2010, the Commission approved Decision C(2010) 9089 concerning operational and non-operational technical assistance at the initiative of or on behalf of the Commission under the European Social Fund for 2011 and serving as a work programme for the technical assistance.
- (2) On 29 September 2011, the Commission approved the Decision amending Decision C(2010)9089 concerning the adoption of a financing decision concerning operational and non-operational technical assistance at the initiative of or on behalf of the

¹ OJ L 210 of 31.7.2006, p. 25.

² OJ L 248, 16.9.2002, p. 1.

³ OJ L 357, 31.12.2002, p. 1.

Commission under the European Social Fund for 2011 and serving as a work programme for this technical assistance.⁴

- (3) It is necessary to amend Annex I which contains the actions planned in 2011 by the Commission services concerning the budget line 04.022000 (operational technical assistance) and Annex II which contains the actions planned in 2011 by the Commission services concerning the budget line 04.010401 non-operational technical assistance to Decision C(2010) 9089 due to the addition of 3 actions.
- (4) The amendment of Annex I of this Decision is subject to the adoption of the Amending Budget no 6 for the year 2011 (DAB6/2011), which provides for the reinforcement of budget line 04.220 (European Social Fund – Operational Technical assistance) by EUR 3.25 million.
- (5) In accordance with Article 53d of the Financial Regulation, evidence has been obtained that the International Monetary Fund and the Worldbank can be entrusted by the Commission with the implementation of Union's funds in joint management applying standards which offer guarantees equivalent to internationally accepted standards in their accounting, audit, internal control and procurement procedures.
- (6) Decision C(2010) 9089 should therefore be amended accordingly,

HAS DECIDED AS FOLLOWS:

Article 1

The budget implementation of tasks related to action 15bis set out in Annex I may be entrusted to the International Monetary Fund.

The budget implementation of tasks related to actions 16a and 16b set out in Annex II may be entrusted to the Worldbank.

⁴ C(2011)6861

Article 2

Subject to the adoption of the Amending Budget no 6 for the year 2011 (DAB6/2011), which provides for the reinforcement of budget line 04.220 (European Social Fund – Operational Technical assistance) by EUR 3.25 million, decision C(2010)9089 is amended as follows:

the table set out in Annex I is replaced by the table set out in Annex I to this Decision.

The table set out in Annex II is replaced by the table set out in Annex II to this Decision.

Done at Brussels,

For the Commission
László Andor
Member of the Commission

ANNEX I

Amended Financial Table I Operational Technical Assistance

ANNEX II

Amended Financial Table II Non- Operational Technical Assistance

1. INTRODUCTION:

This list contains the actions planned in 2011 by DG Employment, Social Affairs and Inclusion concerning the budget heading for "operational technical assistance": 04.022000.

The types of measures and the types of procedures followed for the contracts or procurement procedures are indicated. For possible grants, the selection and award criteria and the maximum co-financing rates are indicated.

Appropriations may be used to cover the payment of interest on late payment due to contractors and beneficiaries in accordance with Article 106 of the Implementing Rules of the Financial Regulation, arising from legal commitments concluded on the current budget heading.

In addition, late payment interest arising from legal commitments concluded under previous programmes and actions in the field of the European Social Fund, for which no earmarked revenues and no legal basis exist any more, may be paid by the current budget heading, if the current budget heading is to be considered the closest line.

2. DETAILED LIST OF ACTIONS:

Budget heading

04.022000 Operational technical assistance

BASIC ACT

The appropriations under this item are intended to finance actions taken by the Commission by virtue of the powers specifically conferred on it by Article 45(1) of Regulation (EC) No 1083/2006

AVAILABLE APPROPRIATIONS

€13,250,000.00

DESCRIPTION OF ACTIVITIES TO BE FINANCED

1. GRANTS

Four ESF Presidency Conferences will be organised in 2011-12. In addition EIPA will organize the European Public Sector Award (EPSA) 2011 conference. The Commission intends to co-fund these conferences. The awarded amount is €700,000 and the maximum Community co-financing rate will be 80% of the total eligible costs of the action.

Table I: Budget 04.022000 Operational technical assistance budget – Grants

N°	Action title (details)	Content	Objective	Expected results	Awarded amount	Indicative date market procedure	If grant, key selection & award criteria	If subvention, max co-financing rate

16a Poverty mapping - mapping extremely marginalised communities in Member States	Following the publication of the Communication on "Fighting against poverty platform", the Communication "EU framework for Roma National Integrated Strategies", calling for mapping marginalised communities in Europe to better spend national and communities funds in favour of extremely poverty and the EU Council Conclusions of 24 June 2011. DG REGIO and DG EMPL agreed to sign a joint management agreement with the World Bank in cooperation with the UNDP and OSI to map poverty in CZ, HU, SK, PL, BU, RO, Estonia, Latvia, Lithuania, Slovenia. This project will be complemented with a mapping exercise of marginalised communities in the old member states to be carried out in the framework of ESPON	The main objective of the project is to map extremely marginalised communities in Member States and use the maps to more efficiently target interventions in these areas. Poverty is linked to the territories and the objective is to map local areas below NUTS 3 level. In collaboration with ESPON, this project would allow using the maps during the upcoming negotiation of the Structural Funds (ERDF,ESF).	Pilot of Maps of extremely marginalised communities in BG through the use of data coming from the national statistic offices (census and administrative data) and surveys. These maps would be compared to DK poverty mapping.	150,000.00 (DG REGIO will contribute with further 150,000.00 from their TA 2011)	Second half 2011 Agreement under joint management with the WORLDBANK	The joint management scheme is chosen because of the very specialised methodology needed to carry out map of local marginalised communities in the 10 member states identified. Both the WB and UNDP have proved experience and methods developed in this field in all the identified countries.	Not applicable
