

## VT/2007/064

---

**Question:**

Query about the countries to be studied in Step 1. Can you confirm that in addition to the 27 EU Member States and the United States we are to include Iceland, Norway and Liechtenstein (EEA countries) but NOT Switzerland (no longer EEA)?

**Reply:**

The Tender Specifications refer indeed to the 27 EU Member States, the United States and the EEA countries which are Iceland, Norway and Liechtenstein. Switzerland does not have to be included.
