

**Werner Stuffer**  
**Vice President Taxes International**  
**Siemens AG**

Werner Stuffer is Vice President Taxes International for all Siemens divisions worldwide. In his current role, he deals with various tax aspects including construction business, transfer price planning and documentation as well as tax controlling. During his time with Siemens he established a worldwide team of transfer pricing specialists and represents Siemens in various lobbying groups. Werner also worked for Siemens as a tax advisor in the US.

Before joining Siemens in 1997, Werner was a Tax Manager at PWA Papierwerke Waldhof Aschaffenburg AG primarily responsible for tax consulting, compliance and tax audit. Prior to that, he was for several years tax auditor at the German tax authorities in Munich and part time assistant professor at the University of Applied Sciences of the Bavarian Tax Administration.

Werner graduated 1990 from the University of Applied Sciences of the Bavarian Tax Administration in Herrsching.
