PROFESSIONAL EXPERIENCE

Lari Hintsanen is the head of Nokia Corporation's Tax Team. He manages the overall tax position of Nokia Group and works closely with Nokia business functions as well as corporate functions; Legal, M&A, Treasury, Public Relations and Accounting.

Prior to joining Nokia in early 2010, Lari was a partner of a big four audit and consulting firm – focusing mainly on internal taxation and supply chain related tax questions.

Lari is a member of the Finnish Industries as well as Chamber of Commerce's Tax Boards and Advisory Board to the International Bureau of Fiscal Documentation's (IBFD) CEO and Academic Chairman. He is also a visiting lecturer at the Aalto University in Helsinki.

Further more, Lari has published a number of articles on international taxation, EC tax law and transfer pricing in international and Finnish tax periodicals. While working as a consultant, Lari was listed amongst the leading tax professionals in Finland in the World Tax 2009 Publication by International Tax Review as well as Best Lawyers publication in 2009.
