17 DECEMBER 2013

LIST OUTPUT INDICATORS

Direct payments

Basic payment scheme

- ❖ *Number of farmers*
- ❖ *Number of hectares*

Single Area Payment Scheme

- ❖ *Number of farmers*
- ❖ *Number of hectares*

Transitional national aid

- ❖ *Number of farmers*
- ❖ *Number of units for which TNA is granted (hectares / animals / other)*

Redistributive payment

- ❖ *Number of farmers*
- ❖ *Number of hectares*

Greening

- ❖ *Total number of farmers who have to apply at least one greening obligation*
- ❖ *Total number of hectares declared by these farmers*

Greening exemptions

- ❖ *Number of farmers exempted by: organic farmers / exempted from crop diversification /, exempted from EFA obligation*
- ❖ *Number of hectares declared by these farmers (organic farmers, exempted from crop diversification, exempted from EFA obligation)*

Crop diversification

- ❖ *Number of beneficiaries subject to crop diversification(with 2 crops; with 3 crops)*
- ❖ *Number of hectares of arable land declared by farmers subject to crop diversification (with 2 crops; with 3 crops)*

Permanent grassland

- ❖ *Number of farmers with permanent grassland counting for the ratio*
- ❖ *Number of hectares covered by permanent grassland declared by the farmers counting for the ratio*
- ❖ *Number of farmers with permanent grassland in designated environmentally sensitive areas*
- ❖ *Number of hectares covered by environmentally sensitive permanent grassland declared by these farmers*
- ❖ *Number of hectares of designated as environmentally sensitive permanent grassland (total)*

EFA

- ❖ *Number of farmers subject to EFA requirements*
- ❖ *Number of hectares of arable land declared by farmers subject to EFA*
- ❖ *Number of hectares declared by farmers as EFA, broken down by EFA type*

Equivalence

- ❖ *Number of farmers applying equivalent measures (certification schemes or agri-environment-climate measures)*
- ❖ *Number of hectares declared by farmers implementing equivalent measures (certification schemes or agri-environment-climate measures)*

Payment for young farmers

- ❖ *Number of farmers*
- ❖ *Number of hectares*

Small farmers' scheme

- ❖ *Number of farmers*
- ❖ *Number of hectares*

Voluntary coupled support

- ❖ *Number of beneficiaries of voluntary coupled support (broken down by sector or type of farming)*
- ❖ *Quantities eligible (ex-ante number of hectares/ number of animals broken down by sector or type of farming)*
- ❖ *Number of hectares*
- ❖ *Number of animals*

Payment for areas with natural constraints

- ❖ *Number of farmers*
- ❖ *Number of hectares*

National programmes for the cotton sector

- ❖ *Number of farmers*
- ❖ *Number of hectares*

Market measures

Public intervention

- ❖ *volume*
- ❖ *Duration*

Private storage

- ❖ *volume*
- ❖ *Duration*

Export refunds

- ❖ *Volume of products exported with export refunds*

Exceptional measure

- ❖ *[as appropriate]*

Producer organisations

- ❖ *% of production marketed by PO and APOs*

School schemes

- ❖ *Number of final beneficiaries of school milk scheme*
- ❖ *Number of final beneficiaries of school fruit scheme*

Vine sector

- ❖ *Geographical indications in the vine sector*
- ❖ *Number of hectares of new vine plantings*
- ❖ *Number of hectares of restructured vineyards*
- ❖ *Number of promotion projects in the vine sector*
- ❖ *Number of projects of investment and innovation measures*

Horizontal aspects

Cross compliance

- ❖ *Number of hectares subject to cross-compliance*
- ❖ *Share of CAP payments subject to cross-compliance*

Quality policy

- ❖ *Number of new PDO, PGI and TSG by sector*

Organic farming

- ❖ *Number of hectares (total and under conversion)*
- ❖ *Number of certified registered organic operators*

Promotion policy

- ❖ *Number of programmes (in and outside the EU)*
- ❖ *Number of new proposing organisations*

Farm Advisory system

❖ *Number of farmers advised*

NOTA BENE: For Rural Development, the list of output indicators will be specified in Regulation XXX/2013 (IA RD) in accordance with Title VII of Regulation (EU) No RD and further explained in guidance documents

Indicator information

Measure / scheme	<i>Identification of the measure to which the indicator is linked as defined in the Pillar I intervention logic (e.g. public intervention, export refunds, green payment, coupled payment, wine investment measures, etc.)</i>
Reference of the measure / scheme	<i>Reference to the article(s) in the (draft) legal act describing the measure / scheme and/or specific information about the measure</i>
Indicator Name	<i>Title of the indicator which will be used to monitor the measure / scheme</i>
Specifications	<i>Details on the definition of the indicator, if needed</i>
Data source	<i>Identification of data source, or legal basis, to collect the indicator</i>
References/location of the data	<i>Places where the data will be centralised in DG AGRI</i>
Data collection level	<i>Identification of the geographical level at which the indicator should be established</i>
Timing for submission	<i>When the indicator has to be submitted by MS (and/or frequency)</i>
Comments/caveats	<i>Comments concerning interpretation of the indicator for monitoring and evaluation purposes and its caveats, if appropriate</i>

DIRECT PAYMENTS

1. Basic Payment Scheme

Measure (/scheme)	Reference of measure / scheme ¹	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Basic payment scheme (BPS)	sections 1, 2 (reserves) and 3 of Chapter 1 of Title III of Reg. [DPR]	Number of farmers	the total number of applications lodged under the BPS (Applications Lodged)	Clearance of accounts data	CATS data to be made available in AgriView.	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		Number of hectares: - declared area - determined area.	a. the total number of hectares declared in the applications lodged under the BPS (declared Area); b. the total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) under the BPS (Determined Area)	Clearance of accounts data		National	15/07 N+1

2. Single Area Payment Scheme

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources ²	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Single Area Payment Scheme (SAPS)	section 4 of Chapter 1 of Title III of Reg. [DPR]	Number of farmers	the total number of applications lodged under SAPS (Applications Lodged)	Clearance of accounts data	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined). CATS data to be made available in AgriView.	National	15/07 N+1
		Number of hectares: - declared area - determined area.	a. the total number of hectares declared in the applications lodged under SAPS (declared Area); b. the total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) under the SAPS (Determined Area)	- Notifications (Art. 63(5) of draft delegated regulation for [DPR]) - clearance of account data		National	01/08/2014 and July N+1

² The references to notifications are those of the draft delegated act – Inter-service Consultation version.

3. Transitional national aid

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Transitional national aid	Art.37of section 4 of Chapter 1 of Title III of Reg. [DPR]	Number of farmers per sector	the sectoral number of applications lodged under SAPS for TNA (Applications Lodged)	Notifications (draft delegated regulation for [DPR], Article 74(2))	ISAMM	National	15/09 N+1
		Number of units for which TNA is granted: - hectares, - animals - other	the total number of hectares, animals or other units for which TNA has been granted, per sector, declared in the applications lodged for transition national aid			National	15/09 N+1

4. Redistributive payment

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Redistributive payment	Chapter 2 of Title III of Reg. [DPR]	Number of farmers	the total number of applications lodged (Applications Lodged)	Clearance of accounts data	CATS data to be made available in AgriView.	National	15/07 N+1
		Number of hectares: - declared area - determined area.	a. the total number of hectares declared in the applications lodged (declared Area); b. the total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) (Determined Area)	Clearance of accounts data		National	15/07 N+1

5. Greening

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
General	Art 43(2) and 43(3) of Regulation (EU) No [DPR]	Total number of farmers who have to apply at least one greening obligation		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(i))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N
	Art 43(2) and 43(3) of Regulation (EU) No [DPR]	Total number of hectares declared by these farmers		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(i))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N

6. Greening exemptions

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Greening exemptions	Chapter 3 of Title III of Regulation (EU) No [DPR]	Number of farmers exempted: - who comply with organic farming requirement (Reg. (EC) No 834/2007) - who are exempted from CD - who are exempted from EFAs	(breakdown of the farmers* exempted from greening obligations) (breakdown of the related areas declared by these farmers*)	Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(ii))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N
	Chapter 3 of Title III of Regulation (EU) No [DPR]	Number of ha declared by these farmers (declared area): - exempted because organic - exempted from CD - exempted from EFAs		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(ii))		National	15/12 N

7. Crop diversification

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Crop diversification	Article 44 of Regulation (EU) No [DPR]	Number of farmers subject to CD: a) with 2 crops; b) with 3 crops.		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(iv))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N
	Article 44 of Regulation (EU) No [DPR]	Number of hectares of arable land declared by farmers subject to CD: a) declared area with 2 crops; b) declared area with 3 crops				National	15/12 N

8. Permanent grassland

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
permanent grassland	Article 45 of Regulation (EU) No [DPR]	-Number of farmers with permanent grassland counting for the ratio (excluding organic / small farmers)		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(v))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N
	Article 45 of Regulation (EU) No [DPR]	Number of hectares covered by PG declared by the farmers counted in PG ratio				National	15/12 N
	Article 45 of Regulation (EU) No [DPR]	Total number of farmers with permanent grassland in "sensitive PG area" .		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(vi))		National	15/12 N
	Article 45 of Regulation (EU) No [DPR]	Number of hectares covered by environmentally sensitive PG declared by these farmers				National	15/12 N
	Article 45 of Regulation (EU) No [DPR]	Total number of hectares of designated sensitive permanent grasslands				National	15/12 N

9. Ecological Focus Areas (EFA)

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
EFA	Article 46 of Regulation (EU) No [DPR]	Number of farmers subject to EFA		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(vii))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N
		Number of hectares of arable land declared by farmers subject to EFA				National	15/12 N
		Number of hectares declared by farmers as EFA, broken down by EFA type	(before application of the weighting factors), as listed in the fourth subparagraph of Article 46(2) of Regulation (EU) No [DPR]			National	15/12 N

10. Greening equivalence

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Equivalence	Article 43(3) of Regulation (EU) No [DPR]	Number of farmers applying equivalent measures via: a) certification schemes b) AECM		Notifications (draft delegated regulation for [DPR], Article 64(1)(c)(iii))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National	15/12 N
	Article 43(3) of Regulation (EU) No [DPR]	Number of hectares declared by farmers implementing equivalent measures via: a) certification schemes b) AECM				National	15/12 N

11. Payment for young farmers

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Payment for young farmers	Chapter 5 of Title III of Regulation (EU) No [DPR]	Number of farmers	the total number of applications lodged under the young farmers scheme	Clearance of accounts data	CATS data to be made available in AgriView.	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		Number of hectares: - declared area - determined area.	a. the total number of hectares declared in the applications lodged under the young farmers scheme (declared Area); b. the total number of hectares for which a top-up payment under the young farmer scheme is made (determined area)	Clearance of accounts data			15/07 N+1

12. Small farmer scheme

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Small farmer Scheme	Title V of Regulation (EU) No [DPR]	Number of farmers	the total number of applications lodged under the Small Farmers Scheme	Clearance of accounts data	CATS data to be made available in AgriView.	National	15/07 N+1
		Number of hectares: - determined area.	Total number of hectares determined under the Small Farmer Scheme	Clearance of accounts data		National	15/07 N+1

13. Voluntary coupled support

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Voluntary coupled support (VCS)	Chapter 1 of Title IV of Regulation (EU) No [DPR]	Total number of beneficiaries of VCS by type of farming or by type of sector		Notifications (draft delegated regulation for [DPR], Article 66(2))	Data received through ISAMM is made available in AGRInet and CircaBC (publication in AgriView might be examined)	National or regional or sector	15/09 N+1
		Quantities eligible: - number of ha (fixed areas) by specific sector or type of farming - number of (fixed) animals by specific sector or type of farming	ANNEX I Information to be provided the year before the actual implementation (ex-ante notifications)	Notifications (draft delegated regulation for [DPR], Article 66(1) and ANNEX I)	ISAMM	National or regional or sector	ex-ante info (1st August Year N-1 for the ANN I notification)
		Total number of ha: - declared area - determined area.	Number of hectares declared by beneficiaries and number of hectares for which coupled support has been determined (if VCS is granted as payment per hectare)	Clearance of accounts data	CATS data to be made available in AgriView.	National	15/07 N+1
		Number of animals (declared and determined animals)	Number of animals for which coupled support has been declared and number of animals for which coupled support has been determined (if VCS is granted as payment per animal)	Clearance of accounts data		National	15/07 N+1

14. Payment for areas with natural constraints

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Payment for areas with natural constraints	Chapter 4 of Title III of Regulation (EU) No [DPR]	Number of farmers	the total number of applications lodged under the first pillar ANC scheme	Clearance of accounts data	CATS data to be made available in AgriView.	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		Number of hectares: - declared area - determined area.	a. the total number of hectares declared as ANC in the applications lodged (declared Area); b. the total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) under the ANC scheme (Determined Area)	Clearance of accounts data			15/07 N+1

15. Specific payment for cotton

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission (N=claim year)
Specific payment for cotton	Chapter 2 of Title IV of Regulation (EU) No [DPR]	Number of farmers	the total number of applications lodged for that support	Clearance of accounts data	CATS data to be made available in AgriView.	National *[possibly regional - to be seen later if needed for audit purposes]	15/07 N+1
		Number of hectares: - declared area - determined area.	a. the total number of hectares declared in the applications lodged (declared Area); b. the total number of hectares determined (shall mean the area for which all conditions laid down in the provisions for granting the aid have been met) (Determined Area)	Clearance of accounts data			15/07 N+1

MARKET MEASURES

1. Public intervention: volume, duration

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission
Public intervention	<u>Eligible products proposed for intervention:</u> cereals (common wheat, barley and maize), paddy rice, fresh or chilled meat of the beef and veal sector (falling within CN codes 0201 10 00 and 0201 20 20 to 0201 20 50), butter (produced directly and exclusively from pasteurised cream in an approved undertaking of the Community of a minimum butterfat content, by weight, of 82 % and a maximum water content, by weight, of 16 %), skimmed milk powder of top quality made from milk in an approved undertaking in the Community by the spray process, with a minimum protein-content of 34,0 % by weight of the fat free dry matter).	Volume - total (- per product)	Unit of measurement: Metric tonnes, occasionally kilograms	Notifications (Reg. 1272/2009) According to this currently applicable regulation, quantities in public storage are notified by the Member States to the Commission every week for cereals and rice (article 56) and every month for beef meat, butter and skimmed milk powder (article 57)	Tbc	National	Weekly / monthly information
		Duration	Unit of measurement: months		tbc		

Comment: The information on duration of storage is not provided as such by the Member States in the standard notification. However, knowing the quantities coming in and going out, and at which date, an estimate of duration can be calculated using the "first in, first out" assumption. In real life, it is possible that an individual lot of product has stayed in public storage longer or shorter than the estimated duration.

2. Private storage

Measure (/scheme)	Reference of measure / scheme	Indicators and sub-indicators	Specifications	Data sources	Location of data (AGRI)	Data collection level	Timing for submission
