

# Horizon 2020 Advisory Group Space 21 November 2013

## NCPs, INFO day planning

DG ENTR G/1

# Tasks and working modalities of the Advisory Group

ØNCPs

ØINFO day planning

## NCPs

- National Contact Points Space
  - EU Member States and Associated States
  - Some 3<sup>rd</sup> countries: CN (status unclear), RU
  - Links to specific NCPs for legal issues and SMEs
- Main task: act as information “multipliers”
  - Appointed by EU Member States and Associated States
  - Organise space info event in their countries
  - Serve their national space communities: trainings, info etc
  - Have a “privileged” link to the Commission NCP coordinator
- Cooperate in a European network: Cosmos+
  - Joint trainings and sharing of best practice

Enterprise and Industry

# INFO day planning

- Ø COSMOS + events
- Ø National events

# INFO day planning

## Cosmos+ events

Alongside the traditional elements - **talks** and **presentations** – these events offer possibilities to **look for potential co-operation partners** for FP activities and meet selected contacts

- Short Presentation Sessions
- Brokerage Sessions (bilateral face-to-face meetings of 15 mns)
