CyQF Referencing Report Points

Cyprus Delegates presented the CyQF Referencing Report on February 2015. The updated report was developed considering the comments of the EQF-AG, CEDEFOP, our International and Local Experts.

Below you will find an overview of issues raised in the comments together with indications where in the report you can find the updated situation:

- A more thorough analysis on the SVQs (System of Vocational Qualifications) and how this is connected with the formal education (refer to p.69 and ANNEX 2)
- Is the CyQF Referencing Report a self-certification report for HE?—Yes (refer to p. 75-82)
- A Detailed comparison of CyQF Levels vs EQF based on Learning Outcomes (refer to p.95-129)
- Proves that the curriculums of each level are Learning Outcome based—refer to the templates that were developed on ANNEX 3 for each level
- Explanation of the rationale behind the sub-levelling of LEVEL 5 (refer to p.109-113)
- Explanation of the rationale behind the sub-levelling of LEVEL 7 (refer to p.120-125)
- Further analysis on the transparency and the meetings that took place during the development of the Referencing Report (refer to p. 149, Criterion 7)
- What is Cyprus state of play on the validation of non-formal and informal learning? (refer to p.137)
- When is the Quality Assurance Agency for Accreditation and Recognition of Qualifications in Higher Education will be established? It is established (refer on p.145)
