1. INTRODUCTION

- **Administrative issues:** Collection of invoices related to the travel and subsistence expenses, to be reimbursed by the Commission in accordance with the provisions in force.
- **Refreshing the conclusions from the IDSG/ET/4:** IDSG ET Chair, Mr Nicolas Warinsko gave a debriefing on the 12 July EC workshop dedicated to SESAR Deployment and highlighted the progress since ET/4:
 - WebEx sessions resulted in content refinement for IDP Blocks 1 to 6
 - 1 Collaborative Flight Planning
 - 2 Airspace Management Improvements
 - 3 Airport CDM
 - 4 Air-Ground Data Link
 - 5 Coordination and Transfer
 - 6 Aeronautical Information Management Improvements
 - Agreement to merge Block 6 into Block 2

2. INTERIM DEPLOYMENT PROGRAMME (IDP)

- Two proposals for IDP project configuration were discussed:
 - ANSP consortium
 - NM
- An agreement was reached on how to synchronise the two

3. EXPERT TEAM'S WORK PROGRAMME (UPDATE)

- It was agreed to continue working offline (WebEx and bi/multi-lateral meetings) in order to:
 - Refine content for Block 7 (RNP Approaches implementation) and Block 8 (CCO/CDA)
 - Achieve full synchronisation between the two project configuration proposals
- E/6 planned for 5 September
