### Activity Report

The HLGD meets regularly, 2 times a year. It issues an annual report on implementation of the UN Convention on the Rights of Persons with Disabilities, accompanied by a political note. Ad hoc reports have also been issued, e.g. on Quality Framework for the SSGI. Minutes of meetings are not public. The HLGD has been a fundamental element to support the implementation of the EU disability Action Plan (2003-2010), the UN Convention on the Rights of Persons with disabilities (UNCRPD) and the new European Disability Strategy 2010-2020. It has been a forum for addressing disability matters with experts from the Member States.

### Selection Procedure (members)

Although the HLG does not have a formal committee structure *stricto sensu*, the representatives of the Member States at the HLG are senior experts in disability issues nominated by their appropriate authority to represent the interests of their country. Each Member State can nominate one member and one deputy member. It is expected that the members of the HLG have a coordinating (inter-ministerial) role for disability issues within their country. The senior Commission representative will normally be the Director responsible for disability issues in the DG (since 1.1.2015, Employment, previously Justice). Like other members, the experts are invited to be members of the HLGD according to the Council resolution of 20 December 1996 (97/C 12/01, attached) laying out the purpose and membership (cf. highlighted part). This is done so as to reach a maximum possible coverage of the field. Experts come from the organisations OF as well as organisation FOR the persons with disabilities and from organisations, which cover the areas mainstreamed in the EU policy. Finally, some non-member countries have also been given the opportunity to send their experts.

### Internal Rules of Procedure

Expert groups usually operate in an informal setting without any formal rules of procedure. This is the case for this group. The Commission distributes a draft agenda in advance and submits minutes for approval. Working documents are shared via CIRCA.
