Selection Procedure (members)

Members are appointed by the national authorities

Internal Rules of Procedure

As it is the case for various expert groups, the Eurydice expert group works in an informal way without a specific procedure. Concerning Eurydice grants: National Units' grant requests are based on funding rules setting out which of their actions are eligible for Community funding on the basis of the Eurydice work programme. These rules are drafted by EACEA A1, in close cooperation with EACEA A7 for content related issues, and approved by DG EAC A.
