The Committee of Experts on Posting of Workers, composed by representatives of Member States, and by social partners representatives as observers, supports and assists the Member States in identifying and promoting the exchange of experience and good practices, promotes the exchange of relevant information, including information on existing forms of (bilateral) administrative cooperation between the Member States and/or social partners and examines any questions, difficulties and specific issues which might arise concerning the implementation and practical application of Directive 96/71/EC or the national implementing measures, as well as its enforcement in practice. The Committee of Experts meets usually twice a year.
