The aim of the sub-group on Contribution of youth work to address young people's challenges (2014-2015) was to define the specific contribution of youth work and non-formal and informal learning to address the challenges young people are facing, in particular the transition from education to employment. The sub-group on Youth Work Quality Systems (2013-2015) examined youth work in EU Member States and explores how common indicators or frameworks may be developed. The sub-group on Mobility of Young Volunteers aims to facilitate the implementation of the Recommendation on Mobility of Young Volunteers across the EU.
