Commission Expert Group

Name: Telematic Applications for Passengers (TAP) Steering Committee (E02689)
(Active - Group which operates on a permanent basis)

Abbreviation: TAP SC

Policy Area: Transport

Lead DG: MOVE - DG Mobility and Transport

Type: Informal, Temporary

Scope: Limited

Mission: The mission of the group (a steering committee) is to support/guide/steer the stakeholders in implementing the Commission Regulation 454/2011. It includes developing a common understanding of the requirements in the Regulation and taking decisions to steer the implementation. At the kick-off meeting between the project team and the steering committee, the project team shall present a project description and a project work programme including a timetable. The project description shall explain the understanding of the tasks, the project organisation, the roles and responsibilities and the project method, including the process of consulting and informing all stakeholders. The group has to approve the work programme. Moreover, at the kick-off meeting, the content and level of detail of the intermediate report and of the monthly progress report will be discussed and agreed between the project team and the steering committee. Furthermore, the group has to monitor the work done described in the progress report, analyse and agree on the interim/final deliverables of the project team.

Task: Assist the Commission in the preparation of legislative proposals and policy initiatives

Provides expertise to the Commission when preparing implementing measures, i.e. before the Commission submits these draft measures to a comitology committee

Activity Report

The Steering Committee was created with the scope to assist with the implementation of TAP TSI, in particular of its phase one. The first meeting was held on 4th October 2011. It met then on 22 November 2011 and 10 January 2012. Minutes of the meetings can be found at the website mentioned hereunder. The main goal of the steering committee is to assess progress and (interim) deliverables. If needed, additional meetings may be organised.
