Selection Procedure (members)

The members of this group are Member States', EU Industry and Public Health, Medical Profession and consumers associations. Member States have indicated which competent authority for medical devices will represent them. As regards the other members, the Commission invited several EU Associations who have interest in dealing with UDI on a regular basis. Requests for participation are assessed on a case-by-case basis taking into account the relevant expertise of the association as to the work of the Group.

Internal Rules of Procedure

Expert groups usually operate in an informal setting without any formal rules of procedure. This is the case for this group.
