### Selection Procedure (members)

These experts have been selected from the DG Research and Innovation's database of experts on the 'Participants' portal' for which you'll find the weblink hereunder, according to EC decision C(2011) 1132 - OJ L75 of 22.3.2011. p1. The group is composed of seven experts to provide a variety of views and approaches. Collectively the experts cover knowledge and expertise from across the innovation cycle and across demand and supply. Each expert has experience from one or more of the thematic areas addressed by the EIPs. Industry/business expertise is present, as is knowledge about evaluation methods and practices. One of the experts will also act as a rapporteur drafting short summaries of the discussions held at meetings and preparing the final evaluation report.
