Additional Information

Activity Report

The meetings with control experts of Member States are devoted to the issues related to the control and enforcement of the Common Fisheries Policy rules. The expert group serves also to develop cooperation with and between Member States, to develop recommendations and ensure their effective implementation and application. The meetings also cover the control issues under the RFMO's and third countries agreement. Documents attached are the consolidated versions of the Control Regulation (Regulation (EC) No 1224/2009) and its implementing rules (Regulation (EU) No 404/2011)
