

Public service obligations - list of routes concerned

27/10/2009

This table is a working document based on information from the Official Journal and on data delivered by Member States; it may contain errors and omissions.

All dates refer to publications in the Official Journal of the European Union (C-series) see website address: <http://europa.eu.int/eur-lex/lex/Index.do?hmlang=en>

Country: country imposing the PSO

Airport: the two columns indicate the airports linked by the route on which PSO have been imposed

Modification: dates of publication of modifications of the PSO

Call for tenders: date of publication of call for tenders based on article 4(1)d of Regulation 2408/92 - since 1/11/2008 art. 17(5) of Reg 1008/2008

Market access: O - open access to all air carriers fulfilling the PSO - R: restricted access; an exclusive concession has been granted following a call for tender as foreseen in article 16(9) of Regulation 1008/2008

In case of an unsuccessful call for tenders or if an air carrier accepts to serve the route voluntarily without compensation, access to the route remains open (O) - At the end of the concession period of maximum four years (five for ultraperipheral regions), access to the

Concession: exclusive concession imposed as foreseen in article 16(9) of Regulation 1008/2008 (before 1/11/2008 reg 2408/92)

Single operator: In case of exclusive concession, name of the air carrier operating the route
