ANNEX I

GUIDELINES FOR REPORTING BY THE MEMBER STATES

UNDER DIRECTIVE 2010/40/EU

1. INITIAL REPORT

The report referred to in Article 17(1) of Directive 2010/40/EU, hereinafter referred to as ‘the initial report’, should present the current state of national activities and projects in the priority areas referred to in Article 2 of and in Annex I to the Directive 2010/40/EU.

The initial report should include an introduction giving a general overview of the national activities and projects and the relevant contact information in the Member State, i.e. name of organisation, type of organisation (ministry/national authority/contractor/other), name of contact person, e-mail address, telephone number, etc.

The initial report should also include a description of the national activities and projects in each priority area with, as appropriate and deemed relevant by the Member State, a description of the relevant initiatives, their objective, timescale, milestones, resources, lead stakeholder(s) and status.

Where possible, figures should be provided in order to measure the progress better and facilitate possible future benchmarking.

2. INFORMATION ON NATIONAL ITS ACTIONS

The information on national ITS actions envisaged over the following five-year period, referred to in Article 17 (2) of Directive 2010/40/EU, should consist of a general report on the activities planned in the next five years related to deployment of ITS in the Member State. This report should include at least the relevant informations on the following items:

- (a) a description of the national approach and/or strategy on the development and deployment of ITS, including its main objectives;
- (b) a description of the technical and legal framework applicable to the development and deployment of ITS;
- (c) a description of the ITS deployment activities;
- (d) a description of the national priority areas for actions and related measures, including an indication of how these are related to the priority areas laid down in Article 2 of Directive 2010/40/EU;
- (e) the implementation of current and planned actions covering:
 - instruments.
 - resources.
 - consultation and active stakeholders.

- milestones.
- monitoring.

3. PROGRESS REPORTS

The reports to be provided under Article 17 (3) of Directive 2010/40/EU, hereinafter referred as ‘the progress reports’, should follow the same structure as the initial report and should highlight the progress made since the previous report.
