

The opinions expressed in the studies are those of the consultant and do not necessarily represent the position of the Commission.

EURO SAFETY ATLAS

European Road Safety Atlas

Project details	
Domain	Road and Tunnel Infrastructure
Duration	from 1/06/2008 until 31/05/2011
Website	http://www.eurorap.org
Other sources	

The project intends to produce Europe's first Road Safety Atlas as a resource to support the Commission's information and transparency strategy on road infrastructure safety.

New annual sheet mapping of the safety levels achieved on Europe's major roads will be developed, produced and distributed.
