European Night Without Accident

Project details	
Domain	Training, education and campaigns
Duration	from 1/04/2007 until 31/03/2010
Website	http://www.ryd.be
Other sources	

The European Night Without Accident is an awareness campaign organised each year in nightclubs all across Europe on the 3rd Saturday of October. In each nightclub, a team of youngsters welcomes the drivers at the entrance and encourages them to take up a responsible attitude behind the wheel. The driver who wants to participate can enter into a moral undertaking with this team of youngsters : he commits himself to remain sober.
