GADGET

Guarding Automobile Drivers through Guidance Education and Technology

Project details	
Domain	Training, education and campaigns
Duration	from 1/01/1998 until 31/12/1999
Website	
Other sources	

Overall objective of GADGET is to assess traffic safety measures on driver behaviour.

GADGET will analyse the influence of:

- in-car safety devices,
- various road environments,
- education and training programmes,
- safety campaigns, and
- legal measures (including enforcement)

on driver behaviour.
