

The opinions expressed in the studies are those of the consultant and do not necessarily represent the position of the Commission.

MODULE CLOSE TO

Module Close To aims at developing "peer education" methods in which young drivers who have been involved in road accidents present their experience to learning drivers.

Project details	
Domain	Training, education and campaigns
Duration	from 1/04/2007 until 31/03/2010
Website	http://www.close-to.net
Other sources	 CLOSE TO Final Report (654 KB)

The objective of Module Close To is to confront young beginning drivers with severe road accidents through discussions with young drivers responsible for road traffic accidents. These sessions are to be integrated into driving education programs.
