## Safe-T

### Safety in Tunnels Thematic Network

Project details	
Domain	Road and Tunnel Infrastructure
Duration	from 1/05/2003 until 1/03/2006
Website	<a href="http://www.safetunnel.net">http://www.safetunnel.net</a>
Other sources	

The 'Safety in Tunnels Thematic Network' (SafeT) aims at developing comprehensive guidelines for pan European decision making on the safety of existing tunnels (primarily road but also rail) by investigating, identifying, assessing and proposing best practice solutions for (a) preventing incidents and accidents in existing tunnels and (b) mitigating its effects - for both people and goods - to ensure a high level of tunnel safety in Europe.
