Special Events

National Career Days 2013 / 12-13 March

World famous percussionist, composer and singer **Kalin Veliov** will keep the Youth on the Move stand lively with performances and workshops. Come and see his opening shows each day, and don't miss out on his drum circle workshops! He will show you some of his famous Afro and Latino beats, and then you can have a chance to try your hand at drumming along with him.

As the **Youth on the Move Ambassador for Bulgaria**, Kalin is living proof of how mobility can build a career. Travelling and playing with his international colleagues has helped Kalin develop his unique rhythms and keep his style fresh and changing as he learns new skills and gets new inspiration.

"Travelling, changing environment, and meeting new people are essential for the career development of each individual. Very often this leads to new jobs and new projects. It brings an experience that is irreplaceable and usually not measured by anything material."

Kalin Veliov
