

EUROPEAN COMMISSION
DIRECTORATE-GENERAL

Directorate-General for Agriculture and Rural Development
Unit R.3 - Digital solutions

Accessibility statement for 'OFIS' website

This statement applies to content published on the domain:

https://ec.europa.eu/agriculture/ofis_public/

It does not apply to other content or websites published on any of its subdomains. These websites and their content will have their own specific accessibility statement.

This website is managed by Directorate General for Agriculture and Rural Development. It is designed to be used by as many people as possible, including people with disabilities.

You should be able to:

- zoom up to 200% without any problems;
- navigate most of the website using just a keyboard;
- read the content of the website (vertically and horizontally) on a computer supporting full range of available resolutions.

This website is designed to comply with the [technical standard for websites and mobile apps, EN 301 549, v.3.2.1](#). This closely follows level 'AA' of the [Web Content Accessibility Guidelines \(WCAG\) version 2.1](#).

Compliance status

This website is partially compliant with [technical standard EN 301 549 v.3.2.1](#) and the [Web Content Accessibility Guidelines \(WCAG\) 2.1 Level AA](#). See '[Non-accessible content](#)' for more details.

The website was last tested on 24/07/2024.

Preparation of this statement

This statement was reviewed on 24/07/2024.

This statement was prepared by Project Manager of OFIS application, following website self-assessment using a combination of manual and automated testing (free online website accessibility checkers).

Feedback

We welcome your feedback on the accessibility of the OFIS website. Please let us know if you encounter accessibility barriers:

- e-mail: AGRI-OFIS-DEV@ec.europa.eu

We try to respond to feedback within 15 business days from the date of receipt of the enquiry by the responsible Commission department.

Compatibility with browsers and assistive technology

The OFIS website is designed to be compatible with the following most used assistive technologies:

- the latest version of Microsoft Edge, Google Chrome, Mozilla Firefox and Apple Safari browsers.

Technical specifications

The accessibility of the OFIS website relies on the following technologies to work with the combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- CSS
- JavaScript

Non-accessible content

Despite our best efforts to ensure accessibility of the OFIS, we are aware of some limitations, which we are working to fix. Below is a description of known limitations and potential solutions. Please contact us if you encounter an issue not listed below.

Known limitations for the OFIS website:

1. some pages have poor colour contrast;
2. some functionality may not be accessible using only a keyboard;
3. some heading elements are not used consistently;
4. some images do not have alt text descriptions;
5. some most buttons and/or links don't have readable text;
6. some documents are in PDF format and are not fully accessible;
7. mobile responsiveness is not ensured.

Should you encounter such limitations, please contact us to help us fixing them.
