Modernising and Simplifying the Common Agricultural Policy

Workshop:
Risk management in EU agriculture

Introduction

Brussels, March 2017

AGRI.C - Strategy, Simplification and Policy Analysis
European Commission

#FutureofCAP
Commission Work Programme 2017

The Commission will **take forward work and consult widely on simplification and modernisation** of the Common Agricultural Policy to **maximise its contribution** to the Commission's **ten priorities** and to the **Sustainable Development Goals**.

This will focus on **specific policy priorities for the future**, taking account of the opinion of the **REFIT Platform**, and **without prejudice** to the Commission proposal to revise the **Multiannual Financial Framework**.
The process

Consultation

Challenges

Objectives

Policy options and assessment
